
From the Dean's Desk.....

Dear Colleagues,

GREETINGS !

Let us all welcome the New Year with renewed vigour and dedication. NIMS fraternity has once again proved their strong sense of belonging to the Institute in pursuit of the professed goals, viz. Service, Teaching, Training and Research. The academic programmes are regularly conducted and for which we all are rightly proud of. It is the duty of all the Faculty members and the residents to maintain the same high standards of all the academic programmes and try to improve the standards further. This can only be achieved by presenting academic work of highest quality, by active participation of all. Our constant endeavour to better ourselves in knowledge has paid rich dividends to a number of faculty, residents and other staff to excel in their own speciality. The same spirit of activity may be continued for excellence by all of us in the years to come.

Wishing you all a Happy and Prosperous New Year
