***From the Dean's Desk.....***

***New Year Greeting From Dean***

It gives me a pleasure to encourage and invite all staff to attend the academic programs of our Institute.

The world is becoming increasingly smaller, "***flatter***" and more competitive. There are multiple opportunities to learn; it has been stated that "***the journey is the destiny***".

Each year we are pleased to welcome both new and old faculty and students to our institute. I request the faculty to actively participate in all the academic activities and design the departmental teaching programs to offer to the students the opportunities to be immersed in challenging and also top quality training which provides the preparation, team building, research and creative endeavor and focus needed for a successful career.

I wish, in New Year 2009, you will enrich and empower your life personally and professionally. I personally wish you all the Very Best.

**Dr. M.U.R. Naidu
